Find Local Doctors has not vetted any of the healthcare providers listed in our directory. The purpose of the Find Local Doctors “Top Rated” badge is to recognize the healthcare providers that have already been highly rated by patients who have left excellent reviews. We do not offer advice regarding the quality or suitability of any particular healthcare provider for specific treatments or health conditions, and no information on this site should be construed as health or medical advice. The ratings and healthcare provider information consists of statements of opinion and not statements of fact or recommendations to utilize the services of any specific healthcare provider. You should obtain any additional information necessary to make an informed decision prior to choosing any specific Healthcare Provider.

You assume all responsibility in connection with choosing any healthcare provider, whether or not you obtained information about such healthcare provider on or through this Site. Find Local Doctors and its directors, officers, agents, and representatives assume no responsibility or liability of any kind for any advice, treatment or other services rendered by any healthcare provider, or for any malpractice claims and other claims that may arise directly or indirectly from any such advice, treatment or other services.
